

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Announcement of deaths:

Joseph B. Townsend, Philadelphia, October 11, 1896, æt. 75.

Dr. Friederich Müller, Rostock, Germany.

The stated business of meeting being the election of members, Secretaries Frazer and Dubois acted as Tellers.

Nominations 1332, 1334, 1357 were referred to Council on motion of Dr. Frazer.

Pending nominations were then spoken to and the ballots cast.

The Tellers then reported the election of

2297. Harrison Allen, M.D., Philadelphia.

2298. Edson S. Bastin, Philadelphia.

An invitation to the members of this Society to be present at the opening of the new Museum Hall of the Academy of Natural Sciences, Tuesday, October 20, at 3 P.M., was read.

The rough minutes were then read, and the Society adjourned.
